HOPE Cape Town recently received a major boost with the generous sponsorship of a brand new Chevrolet Aveo Sedan from Williams Hunt Cape Town.

HOPE Cape Town Donor Relations Manager, Mr Fahim Docrat said, "We are thrilled with this sponsorship and are looking forward to putting this vehicle to good use allowing us to continue to operate in the more than twenty communities that we support. We are very grateful to Williams Hunt Cape Town who are based in Bellville for acknowledging the work that we do and for their enthusiasm and dedication to making a positive difference in the community."

Williams Hunt Cape Town New Car Sales Manager, Mr Jacques Fryer added, "We have long been aware of the good work that HOPE Cape Town does and felt that we wanted to play our part and support their efforts. We are a community focussed dealership and always try to help where we can."

HOPE Cape Town is located at the Medical School of the University of Stellenbosch – Tygerberg Campus and is a non-profit organization providing outreach, education and counselling at community level, focusing on HIV/AIDS and TB in the Western Cape.

HOPE Cape Town is linked to the University of Stellenbosch and cooperates with the department of Paediatrics and "KID-CRU", the Tygerberg Hospital research unit for paediatric infectious diseases.

HOPE Cape Town began their work in 2001 with its mission to impact the communities they work in and have been very successful to date. Having expanded their services to address the increasing need they are now more reliant on the generosity of business and individuals to help fund their programmes.
